

ASD Families ,

Providing support and information to the Anchorage School District (ASD) is a top priority for our community. We are all a part of the solution in creating a safe and supportive environment for our children.

We recently launched the [Be Safe Campaign](#) to help keep our children safe. I am proud to be a part of this campaign and to be a leader in the fight against violence.

Gun violence can be a leading cause of death for children. A national study found that 57% of children who are shot die in their homes, and the percentage of children who die from gun violence has increased between 2021 and 2022.

So die of all the children-
