3 Answering all the questions in the Common App tab is a great way to start your applications. For each college you will:

- Answer college specific questions
- Invite and manage recommenders
- Complete other supplements (if applicable)

After all these sections are complete, you are ready to submit your application! Submission is simple: review, pay (if applicable), and submit.

When you submit we combine your responses from the Common App and college specific questions, as well as any supplements, into one form. Your counselor, teachers, and other recommenders complete their reports and evaluations separately.

As recommenders submit their forms, they will be sent to the college to be added to your application.
