Dear Winterberry,
It is with a grateful heart that I share I will be staying home next year to care for my baby, Lucas. It has been a true pleasure being a part of the Winterberry community.

Wishing you all

Dear Winterberry Families,
The end of the school year is coming soon. Here are two important handwork messages.

A: I started here in 5th grade, and rejoined in 8th. I went to Stream Charter school for 6-7th and did robotics, science, art, and coding. I was happy to come back.

Q. What are your hobbies and passion?

A: I really like skiing, mountain biking and surfing. I'm currently finishing some speakers I custom built. A goal of mine is to surf the bore tide

A: I'd like to focus more on my hobbies and

Introducing: Jeremiah Thongdy

Q. How long have you been in Winterberry's, now, 8th grade class?

A. 8 years. I have been here since 4th grade.

A. Eushi

Q. What are these times teaching you?

That no matter what happens, you have to stay close to your friends and family,

[The response area contains multiple horizontal lines, many of which are obscured by heavy black redaction bars.]

Q. How did you imagine yourself 10 years ago? What do you think you will be doing 10 years from now?

Bicyclists must take extra precautions when they ride. They should always wear their seat belt.

road with vehicles, but injuries can happen even on a bike path.

Skateboarding

Everyone falls, but there's a right way to do it. In 2017, 98,486 people were treated in hospital emergency rooms after being injured skateboarding.

Boating

Most boating experiences are positive. But joyful times quickly can turn deadly if boaters are not vigilant about safety – at all times.

pedestrian Safety

Cell phone distracted walking is a huge problem, and rarely are we more vulnerable than when walking, crossing streets and negotiating traffic.

Teen Driving

A teen's biggest safety threat is often in the car. In 2017, 11,150 people were
