Over the past year, we have been reviewing our Region 3 administration and staff performance at the school

to ensure that we are providing the best possible education for our students. We have been fortunate to have

many parents and community members who have provided us with valuable feedback and suggestions.

We have been listening to your voices and taking your input into consideration. Your feedback is important

to us, and we are committed to making the changes that will improve our school and our community.

We are excited to announce that we have implemented several new initiatives that we believe will

enhance the learning experience for our students. We are also pleased to have a new set of

leadership in place, and we are confident that they will continue to work hard to provide the best possible

education for our students. We are grateful for your support and feedback, and we look forward to

working together to create a positive and successful future for our school and our community.

We are committed to transparency and communication, and we will continue to provide you with updates

on our progress and any new initiatives that we implement. We are also committed to listening to your

feedback and suggestions, and we will continue to work hard to make our school and our community

a better place for everyone. We are grateful for your support and feedback, and we look forward to
